After the Westminster attack...

Don't let the racists divide us

The killings in Westminster were horrific. We do not yet know the reasons for the attack, but we will not allow racists to use this atrocity to divide our workplaces and communities or attack refugees and Muslims.

We reject the scaremongering by The Daily Mail, which asked: "Who knows how many IS-trained terrorists are among the hundreds of thousands of migrants who have fled Europe from war zones?"

We reject claims by Ukip's former leader Nigel Farage that, "We have now a fifth column living inside European countries."

This comes on top of relentless attempts by the Tories to use racism against migrants and refugees. This is a recipe for encouraging suspicion and physical attacks on Muslims.

We repeat our solidarity with refugees, migrants and the Muslim community. We stand opposed to racism and islamophobia.
