Fight racism, austerity & war

Kick the Tories Out

Build the resistance, support Corbyn's policies

The Tories want five more years to cut the NHS, cut funding for our schools and cut our wages. They want five more years of racism towards refugees and backing Trump's wars. But the election on June 8 is a chance to kick them out.

We want Corbyn to lead Labour to victory in the election. Labour will be stronger if it prioritises policies that favour working people, that challenge racism and inequality.

- £10 an hour minimum wage
- Build a million new council homes
- End privatisation of our NHS
- Welcome refugees and migrants
- Abolish zero hour contracts
- End school funding cuts
- Oppose war
- Renationalise railways & Royal Mail
- Tax the rich to pay for public services
- Abolish student fees
- Action on climate change

Campaign, strike and vote to end rule by the rich
